

Rugby & Hockey Scoreboards

Standard Scoreboards

There are two models of standard scoreboards available to cover most clubs needs, operated by radio remote control

ES4RH12

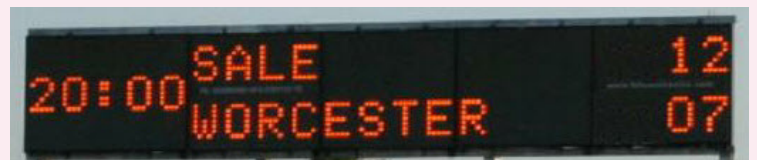

ES4RH12 + Signboard

ES8RH12

Alphanumeric Scoreboards

We also offer a range of alphanumeric scoreboards which can display messages and advertisements, giving clubs the chance to raise some additional revenue. Starting with the compact ES8AN32 which comprises two lines of 200mm characters to the largest ES15AN30-CK which also incorporates a match timer and clock display

Custom Scoreboards

When something different is required we can produce scoreboards in custom shapes and colours, incorporate additional features and adapt our designs to suit your requirements.
